EDUCATION

Parul University, Vadodara, Gujarat
B-Tech in CSE - AI & ML

2023 - 2027
8.42/10 CGPA - 4th Semester

PROJECTS

Matra AI

[Github](#)

- AI-based maternal health monitoring system designed for pregnant women in underserved areas.
- Provides real-time health tracking, personalized recommendations, and multilingual accessibility features.
- Ensures secure data handling, offline access, and continuous remote doctor connectivity.

Tech Stack: Python, Flask, React, OpenAI API, HTML, CSS, JavaScript.

Audio to ISL Converter

[Github](#)

- Python application converting spoken English into Indian Sign Language animations for users.
- Real-time speech recognition maps audio to ISL animations or letter-by-letter images efficiently.
- Bridges communication gaps for hearing and speech-impaired individuals using accessible interface.

Tech Stack: Python, SpeechRecognition, NumPy, HTML, CSS, JavaScript.

Platform to Buy and Sell

[Github](#)

- Full-stack e-commerce platform providing user, vendor, and admin interfaces for all operations.
- Supports product listing, order management, and smooth administrative oversight for marketplace efficiency.
- Ensures secure transactions, organized workflows, and a seamless online buying and selling experience.

Tech Stack: Flask, HTML, CSS, JavaScript, MySQL.

TECHNICAL SKILLS

Languages	C, Python, Java, HTML, CSS, JavaScript
Databases	MySQL, MongoDB
Computer Science Basics	DSA, OOPS, DBMS, OS
Tools & Libraries	VS Code, GitHub, PyCharm, Cursor AI
Python Libraries	Numpy, Pandas, Matplotlib, Seaborn
Currently Learning	Machine Learning (in progress), Deep Learning (planned)

CODING PROFILES

LeetCode

[Visit](#)

Contest Rating: 1460, Global Rank: 434,817 / 746,143, Percentile: Top 58.76%

CodeChef

[Visit](#)

Contest Rating: 1207 (recent contest: Starters 195, -24 drop), Global Rank: 9551

CodeForces

[Visit](#)

Contest Rating: 601, Rank: Newbie

ACHIEVEMENTS

- Recognized among the top 3 percent of students in the department for outstanding academic performance.
- Secured 3rd rank in state during Intermediate Public Examination.
- Participated in 4+ hackathons as a finalist.
- Secured 100th rank in Weekly Coding Challenge 16 on Unstop.
